CUP CLASHES IN FORTNIGHT

First Rounds of Dockerty and Armstrong Cups on May 26

Despite the absence of the 10 1st Division teams, which have been seeded out of the first round of the Dockerty Cup, the 33 games of the first rounds of the Dockerty and Armstrong Cups, to be played on May 26, are already creating intense interest.

Challengers come from near and far, and the luck of the draw will provide transportation problems for some clubs, while others have been cast into a local "derby" in their own backyard, so to speak.

For instance, Bonegilla will be at home to Moe United, whereas Sunshine United are drawn with their neighbours, Sunshine City. Richmond must travel to Gippsland to play Newborough United, but Coburg merely goes "next door" to Pascoe Vale. While Yallourn's Seniors will be at home to Williamstown, their Reserves must go to Box Hill.

Selections Difficult.

Picking probable winners is tantalisingly difficult, too. Seven of the Dockerty Cup matches shall be played between teams which normally meet in the same League Division, so that a line may be obtained on their chances of first round survival from their League performances. The probable results of the other 12 games must remain obscure until 4.30 p.m. on May 26.

Games involving sides from the same Division in this round of the Dockerty Cup are Wilhelmina v. George Cross, Geelong v. South Yarra, and South Melbourne v. Hellenic, all of the 2nd Division; Sandringham City v. F.N.D., Preston v. Maccabi, and Frankston v. Brunswick, all of the 3rd Division; and Hayduk v. University, of Metropolitan North.

As usual, the first day of the Cups will be crammed with shock results and surprises. And that, for most, is the main attraction of Cup soccer.

PHONING OF RESULTS.

Saturday, May 5, can be regarded as a black day for publicity. No less than nine Clubs failed to 'phone their results. In the "Sporting Globe" only seven scores appeared. As a result, League tables for four Divisions could not be compiled.

Fines totalling £13/10/- have been issued. Fines will continue to be imposed.

KICK-OFFS.

Despite a previous reminder, Clubs again defaulted last Saturday, by taking the field later than 2.45 p.m.

The League Management Committee will consider penalties at its next meeting.

EDITORIAL.

"Preach not because you have to say something, but because you have something to say."

—Richard Whately.

RACIAL HOOLIGANISM NOT WANTED HERE!

A disgraceful exhibition of racial gangsterism was seen, heard and endured during a 1st Division match last Saturday — IN THE MEMBERS' STAND!

A group of young hooligans was permitted to sit directly behind visiting club officials, Association Councillors, their wives, and the Press, and shout filthy language and provocative racial insults at the visitors. The aggressive and abusive reaction of this clique of larrikins to requests to tone down their gutter language made it abundantly clear that their intention was to provoke a brawl if possible.

One of the many duties of a Club Committee is the very difficult one of controlling its own members and supporters in their attitudes and actions toward visiting players, referees, officials and the Press, both on and off the field.

Inasmuch as some members of the home Club saw and heard this disgusting business in the official grandstand last week, and did not see fit to take any action for the protection of their guests from the unwarranted and continuous abuse to which they were subjected, they are just as responsible for the affair as the scum that participated in it.

Those of us who look upon Australia as a haven of peace and security for the peoples of all lands who have not found these things elsewhere, must see to it that national and racial intolerance and hatreds must never be permitted to raise their ugly and distorted heads here.

But the necessary eternal vigilance and action against tiny groups of provocative guttersnipes in our midst is principally the duty of enlightened new-comers themselves, who must represent at least a 98 per cent. majority.

The name of the home club referred to herein is that of one of our most respected and most progressive clubs. For that reason, on this first occasion, it could be unfair and unnecessarily harsh to use its good name in this connection, either in "Soccer News" or in the daily Press.

But the Press cannot and will not remain silent should a repetition of this disgusting incident ever come under its notice. And publicity for this type of affair could only result in irreparable damage not only to the Club concerned, but to the soccer movement as a whole!

STATE SQUAD GETS SCOTT, BLACKLEY

Arthur Scott, Brighton's goalkeeper, and "Bill" Blackley, Polonia's inside left, have been added to the State squad, which now has 25 players.

Arthur has been with Brighton for many years, coming up from the juniors. Bill played his junior football in Scotland, and joined Polonia last year, transferring from Footscray City.

The Selectors are planning a Squad of 33 players, to enable them to choose the best final State side from three teams.

The first practice match is tentatively planned for the Showgrounds next Wednesday night, May 16, at 8 p.m.

ON SQUAD

"Bill" Blackley, Polonia's consistently clever and speedy inside left, has shown to particularly good advantage this season, and couldn't fail to catch the Selectors' eyes. This picture was taken during the Slavia-Polonia game two weeks ago.

UNSOLD COPIES OF "SOCCER NEWS."

Credit will not be granted for unsold copies unless they are returned to 562 St. Kilda Road, Melbourne, by the Thursday following the date of issue.

DEATH OF SOCCER PERSONALITY

Morrie Sonnenberg Dies at 33

A vast number of soccer followers, who worked and played with him during his 19 active years with the code, are feeling keenly the death of Mr. Morrie Sonnenberg, who succumbed recently to a polio attack. Mr. Sonnenberg was only 33 years old when he passed away.

During 1951-52, Mr. Sonnenberg was a Councillor of the Victorian Soccer Association, a Member of the League Management Committee, and Chairman of the Disciplinary Committee. It was during this period that he was outstandingly active in the soccer movement, and was regarded with affectionate respect by all with whom he came into contact.

Arriving in Melbourne as a young lad he played soccer as a junior, and throughout the years which were left to him he never lost interest in juniors.

Mr. Sonnenberg was on the Hakoah Soccer Club Committee for many years, as well as that of the ice hockey Raiders, of which he was Manager. His managerial and selection duties with these clubs is well remembered.

The Moreland Soccer Club, with whom he was associated during the Hakoah-Moreland amalgamation of the war years, has also expressed its sorrow at the loss of a good friend.

In tribute to his memory a moment's silence was observed before the Polonia-Hakoah match at Maribyrnong last Saturday.

HIGH PRAISE FOR REFEREE

Mr. Bill Balding, Brighton Committeeman, reports that, in post-game discussions after the Brighton-Prahran game last Saturday, Referee Silicia came in for unanimous praise for his masterly handling of the game.

"He handled this hard and fast game without fuss," said Bill, "and showed right from the start that no one would get away with the slightest infringement. For instance, he didn't hesitate to have a throw-in taken three times before he was satisfied with its legality.

"He surprised both sides when he gave an indirect free kick against goalkeeper Dobrilovic for 'carrying' when the latter touched the ball to the ground without releasing his hold on it. How often have we seen goalies getting away with this little touch?

"For a corner kick he stood on the ground a little nearer the goal post than the corner flag, and about 12 yards in — this way he appeared to have a perfect view of everything and kept the game under perfect control."

PENZO GETS 8 WEEKS!

Juventus Reserve goalkeeper, Penzo, who allegedly knocked out Watson, Moreland centre-forward, with a vicious blow from behind in their game at the Showgrounds a fortnight ago, was found guilty at a hearing of the Disciplinary Committee, and suspended for eight weeks.

Penzo stated through an interpreter that he lost his temper because he could not get used to the charging of the goalie prevalent in the British game.

The Victorian Police Soccer Club has received official — and most practical — recognition from the Committee of the Police Welfare Association in the form of a cheque for £50. The money is for new strips and equipment.

✦ ✦

Saxelby, Yallourn's star right full-back, can't get out of the habit of using his head, even when at work. He tried a glancing header — with a block of concrete! Result — he saw a whole galaxy of stars, got four stitches, and will be out of the game for several weeks. P.S.: The block of concrete broke!

✦ ✦

Kinda queer seeing Bubbles Balabanski out there at right wing for Brighton last week at Como Park. But he made such a good fist of it, he's quite likely to be selected for the job permanently.

FLY KICKS

Lion's share of any honours won at the Prahran-Brighton game went to Danny Dobrilovic — from the supporters of BOTH teams. Some Brighton Committeemen claimed that their side could have doubled — some say trebled — the score if Danny hadn't been in the way. Praise for Dan is so consistent, and comes from so many quarters, that it's a wonder the State Selectors haven't got him in their sights.

✦ ✦

Early in the second half of last Saturday's shocker at Box Hill, big John Davies, the Hillmen's 15-stone right half, got a slight concussion out of a clash of heads. It was not until after he'd had his shower and was dressing that he came to sufficiently to enjoy the information that his side had defeated the Redsox, 1-0.

✦ ✦

When Preston defeated Moorabbin 7-1, after the score had been 0-0 at the change over, there was an exciting 20 minutes during which Preston scored five goals, including three penalties. And the penalties themselves were notable. Preston was given the first when Moorabbin's left half took a ball on the knee and it ricochetted on to his arm. Then, after a disallowed appeal for offside, Preston was given a goal when Moorabbin's right back carried the ball into the goal-mouth on his arm — after which Preston was given its second penalty! They were given their third penalty when Moorabbin's centre half was hit on the arm by the ball — while he was on the ground on hands and knees!

trapped and

short-passed by

WINGER

Not all of the luck goes Preston's way, however. Of the phenomenally low debit of four goals scored against Preston in their seven games this season, two were scored by Preston defenders, including the one credited to Frankston last week.

✦ ✦

For the past seven weeks, Tom Walker (Coburg's Secretary) has been telling "Soccer News" about his club's dance, scheduled for Saturday night, June 2, which is still three weeks away. Ordinarily, we'd still think it was too early to hand out the news; but now that Tom tells us that, after a first-class carousal in the Buffalo Hall until nearly midnight, the club goes down to the Flinders Naval Depot next day — Sunday, the 3rd — for a friendly picnic game, we think the club's adventurous courage is worthy of mention, even as early as this.

Candid Comment

by our

CAUSTIC COACH

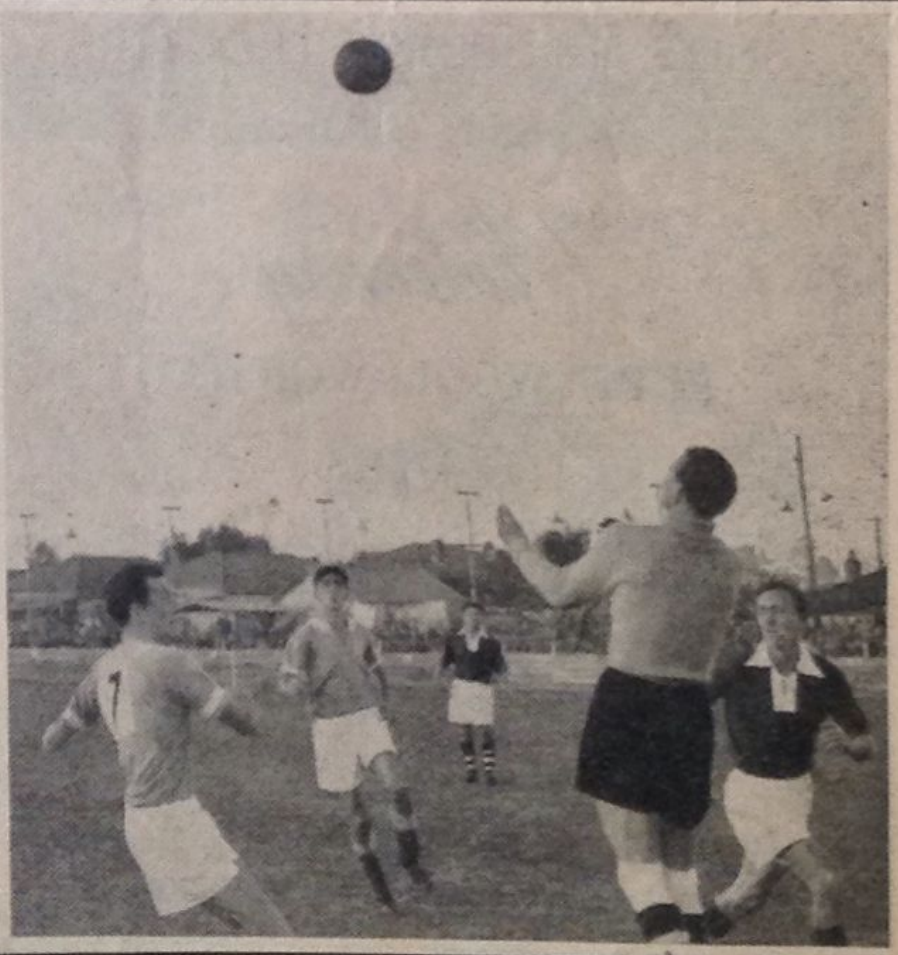
"Even our Captain is useless. He got the job only because he can yell the loudest. He's the only living man who ever got an answer from Chloe."

Romance seems to flourish in the Maccabi Club — we hear that inside right, Miles Salter, has put a ring on attractive Pearl Aisen's left hand. Congratulations to both Miles and Pearl.

✦ ✦

Geoff Dobb tells us that Sandringham's young Reserve team has scored eight goals in their last three games — and Bill Pritchard scored the lot! Before settling here, Bill kicked soccer balls around all over the world when he was doing time with the Royal Navy. When his ship toured South America, he played in most of the ports there, and his experience is proving valuable to the young Sandringham Colts.

SKIED HEADER WASTED



The shape of Syd Thomas' skull spoiled this attempt at a header from a ball received from Gordon Pynt. Terlikowski had no trouble clearing this one. It is not recommended, however, that Syd change the shape of his skull. Most people like it the way it is.

SLAVIA GETS THINGS DONE.

Difficult though it may be, getting a ground for a soccer pitch is only half the battle. Improving the ground and its facilities to an acceptable standard is the other half.

Slavia does it with working bees. For instance, on the next two Sundays — May 13 and 20 — all of Slavia's members are expected to be present at Murphy Reserve for "working duty."

BOB WEMYSS STILL ON TOP

For the fifth week in a row, Bob Wemyss, captain of Polonia, has caught the referee's eye, and the major points, in the voting for the "Argus" Best and Fairest Player Medal.

Dan Dobrilovic, of Prahran, also earned three points to hold his position close behind Wemyss.

Players with three votes or more are listed below:

Wemyss (Polonia)	15
Dobrilovic (Prahran)	14
Cubero (J.U.S.T.)	11
Garland (Box Hill)	9
Zablocki (Slavia)	8

STATE SQUAD PRACTICE MATCHES

Two teams selected from the State Squad will play the Squad's first practice match next Wednesday, May 16, at the Showgrounds, at 8 p.m. This game will not be open to the public.

The first public practice match will take place on Sunday, May 27, at 2.45 p.m., at Middle Park. At the conclusion of this game, the State Selection Committee will go into a huddle and select the Victorian State team.

NEW FACES . . .

And Some Just Changing Trains . . .

Preston is flaunting another go-getting Irish player in the person of Paddy Gardiner, who lined up with the side last week in a manner that delighted Preston's supporters. Paddy is a native of Eire, and has been playing with the R.A.A.F. up Darwin way.

✦ ✦

We have it on good authority that Engelbogen, of Moreland, and Vacirca, of Hakoah, may soon be seen in Slavia-Port Melbourne's colours.

✦ ✦

One of the undeniable reasons for Wilhelmina's near-defeat at the hands of Sunshine City last week was the presence on City's side of new centre-half and captain, Henderson. Hailing from Newcastle, Henderson is proving to be a powerful strategist on the field, and a very popular club member off.

✦ ✦

Arriving from Stirling, Scotland, only six weeks ago, David Fair lost very little time getting into soccer strip, and the colours he wears are Prahran's. David is a right winger, and as soon as he becomes acclimatised, Prahran's attack should feel the benefit of his presence, judging by his first fortnight's efforts.

✦ ✦

Johnny Copeland, brother of Bill, of Footscray City, has been promoted from Box Hill's Reserves to the senior team. He was at left back last week when the Hillmen defeated J.U.S.T., and held them scoreless, and we feel that Johnny must take his share of the credit.

✦ ✦

Alec Nolan is back from Scotland, and has rejoined Moreland. He fielded at left half for the Browns last week at the Showgrounds, and, as usual, very little got past him cheaply.

✦ ✦

Yallourn is hoping that new recruit, W. Capstaff, will prove to be as good as his brother, who played with the Gippsland Redhirts several years ago. He gets his opportunity at inside left due to the absence of centre forward Guy, out with a poisoned leg.

BOX HILL SCORES A SHOCKER

Leaves Cellar With Rocket Assist

Box Hill's defeat of J.U.S.T. last Saturday acted like rocket assist on an old-style bomber, enabling the Hillmen to shoot up from the ladder basement into eighth position.

Many harsh words are being said — and written — by J.U.S.T.'s supporters regarding the attitude with which the team management approached the game with Box Hill. Obviously, the Redsox management took the Hillmen lightly, and used the occasion to try some of the weirdest positional experiments imaginable. In any case, experimenting with the team that had held Juventus to a glorious draw, and had just found a winning stride, is inexcusable.

Match of the day last week was the Polonia-Hakoah fracas at Maribyrnong. Except for the two split-second moments in which each side scored its single goal, the game was a hard-hitting duel in which the defenders of both sides completely dominated the opposing attackers. The spoiling game which resulted was not inspiring as a spectacle.

Brightest spot of the day was Sutherland's perfect corner kick, which went straight to Pynt's head six feet from the goal-mouth. Pynt's deflection gave Terlikowski no chance whatever to save.

Bob Wemyss proved to be a competent centre half and captain for the Redshirts.

Juventus went to a goal percentage lead with its win over Moreland. The Browns have tried everything possible with their available forwards, but the 10 goals scored in their seven games to date is the second lowest score in the Division.

David Minns is doing things for Brighton's attack, and the Seasiders are right up with the leaders. Minns and his colleagues would have netted more but for Dobrilovic's wizardry in goal.

Slavia tamed Footscray City without undue trouble.

Winners to-day should be Juventus, Hakoah, Polonia, Moreland and J.U.S.T.

SUSPENSIONS RESCINDED.

It has been discovered that the personnel composition of the Investigation and Disciplinary Committee, while perfectly correct for the hearing of League Management cases, is unconstitutional when it sits as an Association Tribunal, inasmuch as the new Constitution limits it to three members, none of whom should be members of League Management.

This discovery affects the legality of the Committee's decisions and penalties in the cases concerning players Teuben, Blunt and Catania. The Council's Executive Committee decided last Monday night that the rulings in these cases were illegal, and must necessarily be rescinded.

BRIGHTON "DO" TO-NIGHT.

Brighton's ladies always see to it that the dance socials at Elsternwick Park go lightly, sprightly and brightly, and to-night should be no exception.

You start at 8 o'clock, and you certainly won't leave until you've enjoyed the best club supper on the soccer circuit.

SUNSHINE CITY STOPS WINDMILLS

George Cross May Improve

Sunshine City served notice on the 2nd Division that, from now on and throughout the Second Round, no club may take them lightly. The Sunshiners clearly demonstrated last Saturday that they are settling down into a well-balanced side by taking a point out of the mighty Wilhelmina — the first club to accomplish this feat in the Windmills' last 25 games.

Wilhelmina's fall from grace has permitted Geelong to get within one point of the leaders. Although it is not a matter for undue pride to defeat Park Rangers this season, Geelong's general consistency and steady goal-getting, again demonstrated in their 8-2 defeat of the Rangers last week, point to Geelong as the major threat of this Division.

Hellenic moved into fourth place on the ladder by defeating South Yarra, 4-2; while South Melbourne was frittering away a 3-0 lead over Yallourn to eventually lose 4-3. It is unfortunate for South Melbourne that the only consistent thing about its football is its inconsistency.

George Cross has absorbed another Maltese group which called itself the Collingwood Soccer Club, and which had sought affiliation under that name. Thus George Cross will not only be able to field a Reserve team, but its senior team will have gained several excellent players. As a result, the Maltese team could become a power again in time for the second round.

LURGI RANGERS RE-INSTATED.

The Lurgi Rangers Soccer Club, which had been suspended by the Latrobe Valley Association for failing to fulfil its obligations toward the Association and was heavily fined therefor, has decided to toe the line and observe the requirements of the L.V.A.

As a result, the club has now been fully re-instated.

✦ ✦

Sunshine City have teed up a dance-social, too — for next Saturday night, May 19, at the Sunshine City Band Hall. How the club manages to do it, heaven alone knows; but you can dance to the music of George Mann's Musical Knights until midnight, and have supper, too, for FOUR BOB!

MORWELL DRAWN

Morwell barely managed to save its unbeaten record in the Latrobe Valley Competition last Saturday, when the unpredictable Moe United forced a 3-3 draw. This puts Newborough United in the box seat, only one point behind last year's undefeated champions.

Sale United took the points for the first time at the expense of Morwell Rangers.

Full results were:
Morwell drew Moe United, 3-3.
Newborough U. d. Yallourn "A," 2-1.
Eastern Rd. d. Tigers, 3-2.
Sale United d. Morwell R., 3-2.

JUNIORS.

Hernes Oak d. Moe, 4-1.

MACCABI IN FIFTH PLACE

Maccabi's defeat of Moorabbin last week took the Blues from seventh place on the ladder into fifth position.

Leadership of the 3rd Division remains very tense, with Preston, Richmond and Coburg separated by goal percentages only. Richmond's consistent aggressiveness may eventually give this club the opportunity to break the deadlock.

JUNIORS WILL SPONSOR LAIDLAW CUP TEAM

The Junior Association intends to sponsor a team — to be known as Scandinavia — which will be entered in the Laidlaw Cup Competition. All players of Scandinavian birth or descent who wish to participate are invited to communicate with Mr. B. Anderson, 8 Shelley St., West Heidelberg; or with Mr. Jack Olsen, 314 Inkerman St., East St. Kilda.

Mr. Olsen's 'phone number is LB 1444.

Since this series will be commencing shortly, all those interested should treat this matter as urgent.

✦ ✦

Wesley College has a team competing in the Junior Under 15 section. They replace South Melbourne in this section, and fixture tables should be amended accordingly. Unfortunately, Wesley hasn't a home ground yet, so all of their games will be played on the grounds of their opponents.

✦ ✦

The next delegates' meeting will be held at the Y.M.C.A. on May 30 at 8 p.m.

✦ ✦

Junior clubs which do not carry out their obligations are warned that they are liable to fines from now on. For instance, clubs which fail to 'phone their results to the "Herald" or to Mr. Parker, or whose team card does not reach the Registrar by first post on Monday morning, will be fined 10/-.

These duties are part of the Junior League Rules, and will be strictly adhered to in future.

The "Herald's" 'phone number is MF 0211. If your result doesn't appear in the "Herald," then the drill is to 'phone Mr. Parker, whose number is JU 3143, on Sunday morning.

✦ ✦

It shouldn't be necessary, but just so there'll be no excuse regarding the mailing of your team card, here's the Registrar's address:

Mr. D. CHAMBERS,
6 Cohuna Street,
West Brunswick.

Juniors still need plenty of help on the administrative side. They need coaches, managers and referees. Jock Parker will be glad to hear from anybody interested in offering a helping hand. We'll repeat his number — JU 3143.
